

SUPPLEMENT: This document contains supplemental information for the following publication:

Cascio, M.A., J.A. Weiss, and E. Racine. 2020. Person-Oriented Research Ethics to Address the Needs of Participants on the Autism Spectrum. *Ethics & Human Research* 42(5). Page # and DOI TBD.

These are the 191 articles identified as containing data relevant to addressing autism needs (falling within the person-oriented research ethics guideposts of respect for holistic personhood and individualization).
